

REMARKS

Claims 60 and 61 have been amended in order to correct obvious errors contained therein. No substantive amendments have been made to the claims and, therefore, no new matter has been added. Also enclosed herewith is a substitute specification, including "clean" and "marked-up" copies in order to make the specification identical to parent application Serial No. 10/108 192. The undersigned hereby certifies, to the best of his knowledge and belief, that the enclosed substitute specification contains no new matter. Favorable consideration is respectfully solicited.

Respectfully submitted,

Terryence F. Chapman
